

SELF-HELP | PERSONAL FINANCE

“*Single Women and Money* delivers clear, concise, hands-on information. It’s the breakthrough guide to financial security that America’s millions of single women can use.” —**Janet Marks**, PhD, executive coach, JRose & Associates

“Whether widowed, divorced, or never partnered, single women all too often face greater financial challenges than single men and married couples. This book contains sound advice and valuable resources for women of all ages seeking financial security and peace of mind on their own.” —**George Mannes**, senior editor, *AARP The Magazine*

Finally, there’s a money guide to help single women survive and thrive.

Single Women and Money is an accessible guide to living a financially secure and successful life as a single woman. It’s a book for the millions of unpartnered women in America who must make ends meet on a single salary—which is typically less than what men earn.

Using stories of actual women, as well as data and experts’ insights, the book chronicles the financial issues of single women. It provides the tools needed to tackle their daily and longer-term needs and probes the issues specific to divorcees, widows, women who never married, and single mothers. Single women reveal their moving stories detailing how many have overcome obstacles. From there, the book provides specific guidance on a variety of money issues including saving, spending, shedding debt, investing, retirement, taxes, and more. Offering resources women can turn to in hard times, the authors also suggest ways society can, and should, assist single women.

MARGARET PRICE is an editor, author, and award-winning journalist. She has been an editor at *Bloomberg Wealth Manager* magazine, international editor at Crain Communications’ *Pensions & Investments* publication, and senior editor at *Treasury & Risk Management* magazine. She has also written for *Investor’s Business Daily*, *New York Daily News*, *Newsday*, and *The Christian Science Monitor*. Price is a member and past president of the New York Financial Writers’ Association and author of *Emerging Stock Markets: A Complete Investment Guide to New Markets Around the World*.

JILL GIANOLA, an author, teacher, speaker, and financial planner, has seen firsthand how women who are equipped with the know-how to make smart financial choices have changed their lives. Founder of Gianola Financial Planning, her work has been recognized by *Mutual Funds* magazine, which named her one of the top 100 planners in the US, and *Money* magazine, which featured her advice in “Secrets of America’s Top Advisors.” Gianola is the author of *The Young Couple’s Guide to Growing Rich Together*. She also wrote a column as the family finances expert for the website *iVillage*, and was the author of the “Your Money Questions Answered” column for *AllYou* magazine. She has taught personal finance at Ohio State University, Franklin University, and Columbus State Community College, and economics at Wittenberg University.
